# A Salute to a Man of Strength and Simplicity

## Our Dearly Beloved Singh Sir,

As you retire after 12 years of devoted service,
We celebrate not just your work,
but the wonderful person you are.

You worked faithfully, never seeking recognition,
Serving with sincerity, whether watched or unseen.

No task was ever too small for your willing hands,
You taught us by example the true dignity of labour.

On the field, you shaped more than strong bodies,
You instilled discipline, fitness, teamwork
and true sportsmanship.

With your jovial nature and generous heart, You spread smiles and found joy in making others happy.

Your footsteps may leave the grounds of St. Ann's,
But the values and memories you leave behind
will remain.

As you begin this new chapter of life,
May our gratitude, affection and prayers
accompany you always.

You will always remain A cherished member
of the St. Ann's Family.

*You retire from your service,*
*But never from our hearts.*

*You will always remain*
*A cherished member of the St. Ann's Family.*
